

Nguyễn Quang Kiệt

Software Engineer **Dob:** October 9, 2004

Gender: Male

Phone: 0356469117

Email: qkiet2kk4@gmail.com

Address: Thanh My, Nam Giang, Da Nang

Github: KietNQ1

OBJECTIVE

I am a passionate Information Technology student specializing in .NET at FPT University – Da Nang. I am seeking an opportunity to apply my knowledge in real-world projects, enhance my skills in backend development with .NET Core, strengthen my database proficiency with SQL Server, and grow in a professional team environment where I can contribute, learn, and develop further.

EDUCATION

2024 - Present

FPT UNIVERSITY - DA NANG

ASPIRING BACHELOR OF INFORMATION TECHNOLOGY (SPECIALIZATION IN .NET)

GPA: 3.0/4

PROJECT EXPERIENCE

2025 - Present

ST Job Platform

Team Lead

Description:

A web platform connecting students with businesses for short-term freelance projects. Key features: user management, job postings, applications, financial transactions, rating system, real-time and notifications.

Technologies:

ASP.NET Core MVC, Entity Framework Core, SQL Server, SignalR, JavaScript, Bootstrap, Razor Views.

Responsibilities:

- · Led the development team and managed weekly sprints.
- Designed system architecture and separated services using Entity Framework Core.
- Developed key modules: Job Management, Transaction Management, and AI CV Generator.
- Integrated AI to automatically generate CVs based on user profiles.
- Managed task assignment, conducted code reviews (Clean Code standards), and handled Git source control.

ACTIVITIES

2025 - Present

Innocode Camp

Team Member

Collaborated with teammates to develop a creative solution to a real-world challenge.

Reached the Final Round among top-performing teams.

Enhanced skills in teamwork, problem-solving, and idea presentation.
